I live in Liverpool Plains LGA. All political parties rightfully suggest that all of Liverpool Plains LGA should be in the Tamworth electorate as that is where our community of interest lie, not the Hunter Valley. Walcha should also transfer from Tamworth to Armidale as that is where their interest lies.

The National Party and the Greens suggestion is that Scone (and all of Upper Hunter LGA) should rightfully remain in Upper Hunter electorate as it is situated in the Hunter Valley. However the Liberal Party and Labour Party (for political reasons) are pushing for Scone to go to Tamworth. Scone and all the Upper Hunter LGA should remain in the Upper Hunter electorate.
