As the Mayor of Fairfield City Council, I would like to make a personal submission to the " Report of the Electoral Districts Redistribution Panel on the draft determination of the names and boundaries of electoral districts of New South Wales" . Cabramatta, Fairfield, Prospect, Granville and Badgerys Creek (formerly Mulgoa) currently are State Electorates that represent the Fairfield LGA.

As the Mayor of Fairfield City Council, I would like to congratulate the Redistribution Panel on the draft determination and endorse the recommended changes. I was very pleased to note the retention of the state seat of Cabramatta, with only minor changes. This demonstrates that the NSW Electoral Commission has listened to the people and I am writing to the Commission to support these changes. Cabramatta has a strong and continuing community identity and has a long history of 40 years as an electorate. It was the home to former Prime Minister Gough Whitlam, and is a major commercial centre. This result will mean better representation for our community, and a better understanding of the challenges and issues faced by the community. I wish to thank the Redistribution Panel and support the decision draft for the state seat of Cabramatta.

I support the draft determination that are consistent with the Redistribution Panel' s principles.
